A one-shot special in full color

Celebrating 15 years of Lady Death in print, we unleash the first ever Lady Death Annual! This super-sized tome is one giant self-contained story by creator Brian Pulido and super-star artist Richard Ortiz! Atop an isolated, monolithic castle, Lady Death, Wargoth and Satasha, celebrate the Blacklands holiday, Tombsmass. Unknown to them, The Infernal, an unimaginable evil intent on killing them, invades their rare solace. Can Lady Death and her cohorts survive against an unstoppable, supernatural murdering machine? And why is The Infernal here? Could one of them have called it? The answers will melt your mind! Slasher horror on an epic, medieval scale!

A four-issue mini-series in full color

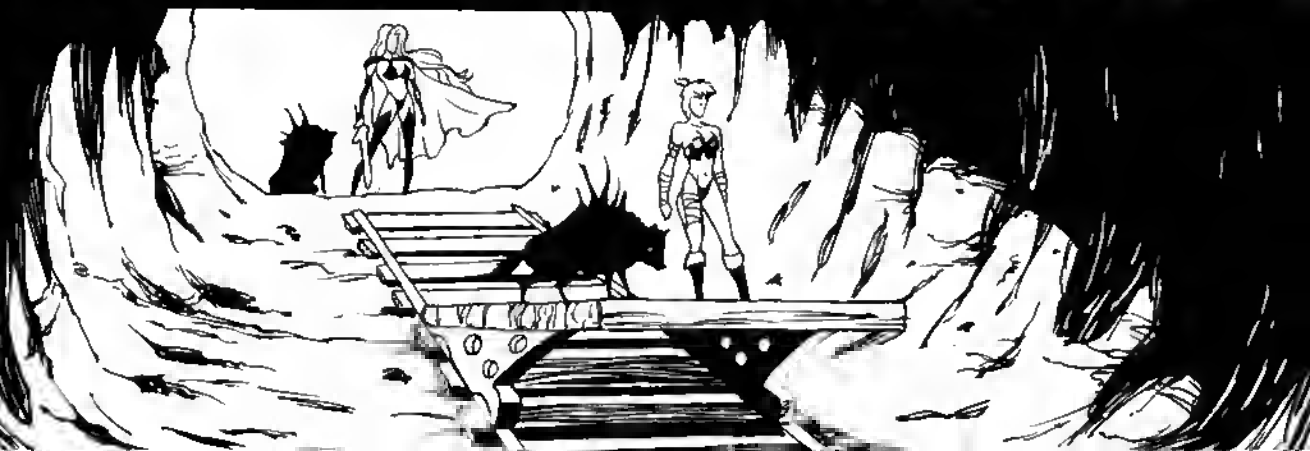

Lady Death's new four part epic story begins here! There are dire omens in the sky and the air is full of fear as the long, cold shadow of Sagos stretches across the Blacklands, growing darker with each passing night. Hope has renounced her humanity and she's sentenced to the labyrinth. Now forged into the cold, cruel and alluring warrior Lady Death, she joins forces with the mysterious and deadly Wargoth, and spellcaster Satasha. Together they dare the impossible: destroy Sagos, the realm shattering warlock who has kidnapped Lady Death's mother's soul. This series introduces a major new villainess, STYGMATA!

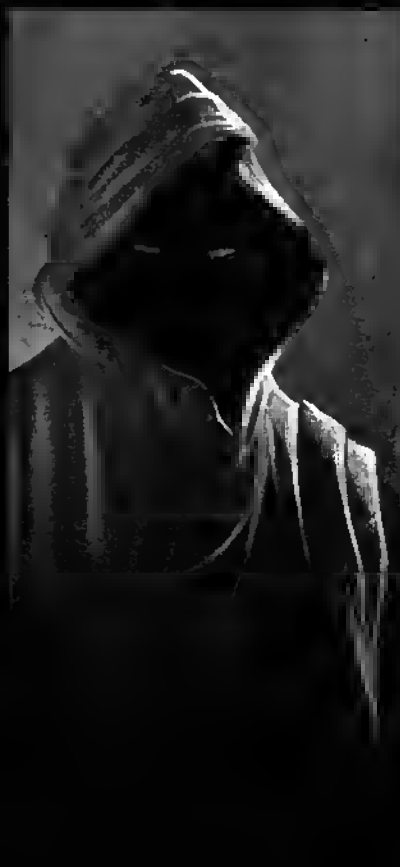

LADY DEATH: Merciful Fate

story by Brian Pulido
painted art by Carlos Valenzuela
A two-part tale in full color

Lady Death has gambled away a measure of her power in a game of chance with an ancient spellcaster. Embarrassed, she travels alone to raise funds to buy her powers back. She runs head on into a conflict between two warring nations and plans to pit them against each other to make the most money. Then her plan goes to Hell. Rip roaring barbarian action as only Brian Pulido can deliver it.
